

CrazyFace Origami Bookmark!

[6" square makes a 3" square bookmark]

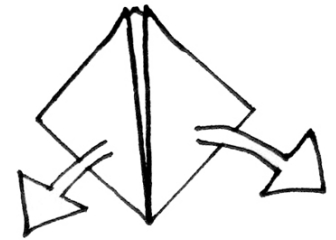

Diagrams by Mary Ellen Palmeri

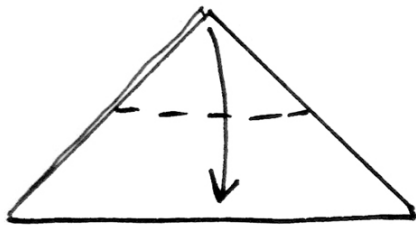

1. Fold in half, bottom to top

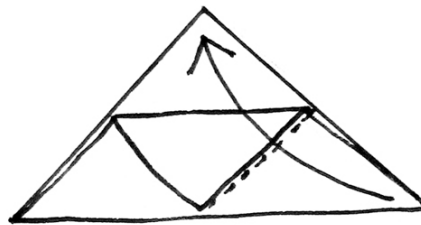

2. Fold each side point up to meet top point

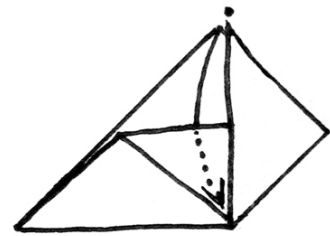

3. Unfold last step

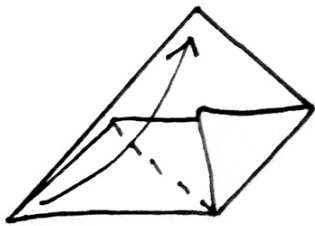

4. Fold TOP LAYER ONLY... bring point down to meet the bottom

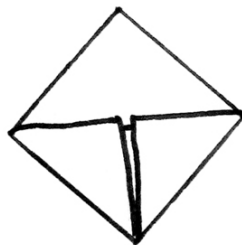

5. Re-fold right point up to top again...

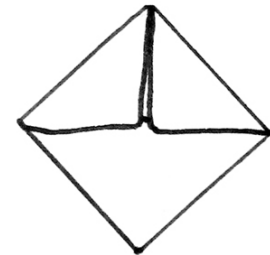

6. Tuck the top half of the right flap to the inside, behind the front layer. Make sure to tuck & push it as far as it can go, all the way to the bottom

7. Repeat last 2 steps on the left side...tucking into the same 'pocket'

8. Swivel entire model so the top point moves to the bottom

9. Folding is complete for your bookmark. Slide the 'pocket' over your book page to save your place

10. DECORATE YOUR BOOKMARK!

Add features by drawing or by cutting and punching out colored paper shapes

OPTION:

Slide a 2.5" square into the 'pocket' to create a mouth. Glue in place with gluestick.
